

# EXODUS LENDING

## Ways to Support With your Time & Talents

1

### Talk about Exodus Lending with your Family and Friends

Bring up Exodus Lending in your next conversation with a family member or friend. Simply talking about why you're excited about what we do is a great way to help us increase program awareness.

2

### Connect with Exodus Lending on Social Media

Connect with Exodus Lending on Facebook, Twitter, Instagram, and LinkedIn (@ExodusLending). Interacting with our posts is a helpful and easy way to share our program with your network of friends and family.

3

### Table at Fairs and Events

Join us at an event in your community to help us make connections and spread the word about our organization. One of our favorite events – our annual fundraiser – is always in need of volunteers. Ask our staff for more information.

4

### Distribute Materials

Coordinate with staff and volunteers to hand out materials outside payday lending storefronts to anyone interested.

5

### Build Partnerships with Local Organizations

Visit your neighborhood nonprofits, faith communities, libraries, and local businesses to see if they would be willing to hang up a flyer. Check-in with our staff to learn about established partnerships or get additional contact information.

Live in Greater Minnesota or planning a trip out of town? Grab some Exodus Lending materials before you head out or request them by mail.

6

### Call your Legislators

Contact your representatives and senators to let them know how you feel about a 36% interest rate cap on small dollar loans in Minnesota.

Find out who represents you here: <https://www.gis.leg.mn/iMaps/districts/>

7

### Join a Committee or our Board of Directors

Serving on one of our four committees or applying to be on the board is a way to contribute your time and expertise on a regular basis.

8

### Host a Speaking Engagement for your Group

Invite Exodus Lending to present at your church or community group.

**Have another idea or a talent that you'd like  
to share with Exodus Lending?  
Let us know!**
