

# Minnesotans Agree:

## Payday Lending is preying on Minnesotans.

of Minnesotans support a rate cap of 36% or lower

### The overwhelming support for a rate cap is bipartisan.

**Democrat - 83%**

**Independent/Other - 78%**

**Republican - 77%**

**Not Registered - 70%**

### In the words of Minnesotans payday lending...

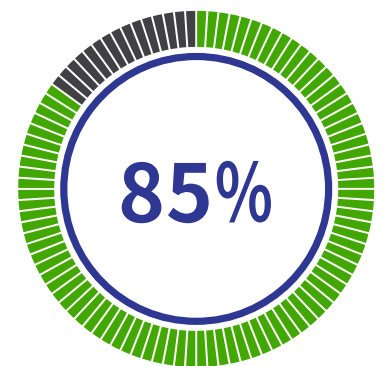

“

“...has grave consequences for the hardworking but vulnerable population who use them.”

“...ensures that those on the bottom stay on the bottom.”

”

of respondents who have, or known someone who has, taken a payday loan supported a rate cap of 36% or lower.
