The Stitch On US

Our Programs

Exodus Lending is a 501(c)(3) nonprofit that works with financially excluded Minnesotans to advance economic justice through consumer lending, community organizing, and advocacy.

Exodus Lending extends small-dollar consumer capital to underserved communities throughout Minnesota while organizing and building power to abolish all forms of predatory lending and push for fair lending practices.

Our People

We move toward achieving our mission through compassionate, **people-powered boldness** in the consumer lending space that sees **participants as human beings**, not revenue streams.

The people in our community are the **fabric of our organization**. As we reach a decade of fair lending, Exodus Lending is celebrating the milestone by giving full credit to the community that has built and sustained our success.

“
**No Interest.
No Fees.
No Judgment.**
